

# Memorandum

Date: October 20, 2015

To: Honorable Chairman Jean Monestime  
and Members, Board of County Commissioners

Agenda Item No. 8(F)(1)

From: Carlos A. Gimenez  
Mayor

Subject: Recommendation for Approval of Designated Purchase Pursuant to Section 2-8.1(b)(3) and  
Authorizing the Renewal Periods under Contract No. SS9739-4/23, HighScope Pre-School  
Curriculum and Training

## Recommendation

It is recommended that the Board of County Commissioners (Board) approve a designated purchase pursuant to Section 2-8.1(b)(3) of the County Code and authorize the County Mayor or the County Mayor's designee to exercise two (2) option-to-renew periods under *Contract No. SS9739-4/23, HighScope Pre-School Curriculum and Training*. Board approval is required as the value of the requested renewal periods exceed the Mayor's delegated authority. This item is exempt from Committee review per Ordinance No. 07-139, which permits contract renewals to be heard directly by the Board.

This contract was awarded in April 2013 and is used by the Community Action and Human Services Department to obtain HighScope curriculum training. The services include curriculum updates and technical assistance for teachers working in the Head Start/Early Head Start Program and provides comprehensive child development services for low-income children and families.

The approval to exercise the renewal periods is presented to the Board as a designated purchase because this is a sole source contract. The HighScope curriculum is the proprietary product of HighScope Educational Research Foundation, Inc. and is designed based on an active participatory learning approach to early childhood education. No other vendor is capable of delivering to the County the required training and technical support for the HighScope curriculum, the County's chosen curriculum for the Head Start/Early Head Start Program. Accordingly, it is in the best interest of the County exercise the first two (2) of the four (4) available optional renewal periods under this contract. By exercising only two (2) of four (4) available option periods, the Community Action and Human Services Department affords itself the flexibility to explore different types of preschool curriculum programs (i.e., Montessori, Creative, etc.), which may better support programmatic needs upon the expiration of the second option term.

## Scope

The impact of this item is countywide in nature.

## Fiscal Impact/Funding Source

The current term is for two (2) years, six (6) months and is valued at \$237,000. The initial two-year term was extended administratively for six (6) months, modifying the contract expiration date from April 30, 2015 to October 31, 2015. The total value of the two (2), two-year options-to-renew is \$380,000. As seen in the table below, if approved, the contract's cumulative value will be \$617,000.

Department	Requested Allocation	Funding Source	Contract Manager
